Yee

The Recreation and Parks Department is excited to welcome Arecia Yee to the team! Arecia will be managing the Recreation Division, including all recreation operations and programs at the Joslyn Center, Clubhouse, Checkout Building, the Plunge, Campus El Segundo and the Teen Center. The Recreation Division is also responsible for organizing special events, sports leagues and summer camps. Some of her first major assignments will be managing the opening of the new El Segundo Aquatics Center and implementing new class registration software.

Ms. Yee is coming to the Los Angeles area from Northern California where she was most recently the Deputy Director of Recreation for the City of Stockton, and previously worked for the cities of Richmond and Vacaville, for a total of over twelve years of recreation experience. She graduated from California State University Sacramento with a Bachelor of Science Degree in Kinesiology and a Minor in Recreation Administration. We look forward to Arecia's leadership, community-focused spirit, and enthusiasm as she takes on this new role.
