Welcome New IT Staff

Jason Lee is our new Information Systems Developer. Jason holds

a bachelor's degree in Electronics Computer Engineering Technology from Cal Poly Pomona. He is a fervent admirer of outdoor activities including hiking, camping, and biking. He enjoys experiencing new adventures and is not afraid to try new things in life. In the near future and with a bucket list in mind, he hopes to accomplish goals such as viewing the Aurora Borealis or HALO jumping to name a few.

Paul Gallovich is our new Information Systems Specialist. Paul

grew up in El Monte and now lives in Whittier, where he appreciates spending time with his wife and two daughters. He enjoys traveling and exploring new states. His hobbies include playing basketball and weightlifting. He started his IT career working for the City of El Monte and prior to El Segundo, Paul worked for a school district. Next up, Paul plans to pursue a bachelor's degree in computer science and cyber security.

1917-2017

Welcome Crime Scene Investigator

[John Hurtado](#) joined the El Segundo Police

Department team as a Police Service Officer in March of 2011. He worked as a station jailer and several years as the Court Liaison Officer in the Investigative Division. He

became the Acting Crime Scene Investigator (CSI) in November 2016 and immediately began an overhaul of the Evidence and Property rooms. John was officially appointed as the department's new CSI on February 13, 2017.
