City Manager's Message

Welcome back to our second edition of our e-newsletter, where we engage with the community and inform on events, projects, people, and services. We hope you enjoyed the first [one](#) and please provide us feedback (via email to CityNewsletterCommittee@ElSegundo.org) on what you liked or didn't like, as well as changes or additions you would like to see in future editions.

YOU Are Invited to Volunteer

I am grateful to serve a community where folks are eager to engage, participate, and partner with the city. The city has hundreds of volunteers, across every department. They generously provide their time, expertise, experience, and love for the El Segundo community. The caliber, loyalty, and dedication is humbling. It is a partnership that is helpful, beneficial, and impactful.

Many of the volunteers are born and raised in El Segundo and dedicate their time for as long as twenty five years! You might have heard of one member of a Recreation and Parks committee who for the past twelve years had checked up on our Parks landscape to confirm that all is well before starting his day; another that helped a country start and grow their tourism industry who came out of retirement to help fill a Chairperson role of an advisory committee; or about a retired school teacher who helps provide us with a wealth of knowledge and accuracy on the history of the City of El Segundo, even more of a boon as we celebrate our 100th birthday this year. Some others who are new to the

city and/or work in the city but have quickly fallen in love and feel the urge to give back by volunteering.

There are many more endearing and unique stories but one common denominator that connects all of our volunteers is their generosity and love for the City of El Segundo and our special community. We are a city of both big business and small town charm. I invite you to partner with us through the many volunteer opportunities.

Help ~ Our newsletter still needs a name

We need your help in naming the community newsletter. One lucky winner will get to pick a prize of their choosing from ElSegundo100.org/shop.

- Email your submission to: CityNewsletterCommittee@ElSegundo.org.
- There is no limit on the number of submissions you can send.
- The City Newsletter Committee will pick our top 5 favorite names.
- Those selected will win a City branded gift.
- In the next newsletter, we'll let the community vote on the final name via a survey.
- If the winner permits us, we'll feature them in an upcoming newsletter when we announce the winner and name of our newsletter.

Thank YOU and happy reading!
