

# VOLUNTEERS NEEDED!

**Join The  
El Segundo  
Police  
Department's  
Retired Senior  
Volunteer  
Program (R.S.V.P.)**

Are you retired and have four hours a week to join our R.S.V.P. team?

The R.S.V.P. is both fun and rewarding. The R.S.V.P.s are the eyes and ears of our city, provide a warm welcome to visitors and assist the residential and business communities.

The City of El Segundo recognizes the vast amount of experience and skills that rest within the seniors of our city. Our Department desires to tap into these skills to help achieve Departmental goals in an effective and efficient manner. We also believe this to be an opportunity for seniors to give back to the community and provide needed services on a volunteer basis.

R.S.V.P.s assist both the Field Operations and Administrative Services Bureaus in their efforts to better serve the citizens of El Segundo.

Some of the R.S.V.P.s duties include: talking with local merchants, driving a marked volunteer car through the residential and commercial areas providing visibility, security and reporting criminal activity, checking homes while residents are on vacation, helping with traffic control, and other assigned duties.

To become an R.S.V.P., you must:

- Be age 55 and older
- Pass a background investigation

If you are interested in the R.S.V.P. program, call Laurie Risk in the Crime Prevention Unit at (310) 524-2274 or email her at [lrisk@elsegundo.org](mailto:lrisk@elsegundo.org) to set up a tour of the station and meet some of our volunteers and officers.
