

EL SEGUNDO

Genealogy Database

Interested in Genealogy? Looking for resources to expand your family tree? Check out the library's newest database, HeritageQuest Online!

HeritageQuest Online is a searchable treasury of American genealogical and historical sources such as census records, military records, and thousands of family and local histories. The site also includes convenient research guides, interactive census maps and tools to help you fill-in your family tree. You can even download records to your computer!

To access, please go [here](#). Click on the HeritageQuest Online link or image and enter your El Segundo library card.

Thank you to the Friends of the El Segundo Library for their continued generous subscription donation of Heritage Quest!
