EL SEGUNDO'S CENTENNIAL

1917-2017

Spring Concerts

Join us at 2:00 p.m. in the Friends of the Library Room on April 15 and May 20 for our Saturday Concerts in the Library series, which features classical and jazz programs, as well as music from different traditions.

We welcome the *Susie Glaze New Folk Ensemble* on Saturday, April 15. This lush new folk Americana fusion ensemble presents gorgeous eclectic blends of mountain folk and exciting new grassy and Celtic-inspired originals, all with the remarkable voice of Susie Glaze. The group has been likened to the classic British bands Pentangle and Fairport Convention, in that they blend classic folk music with rough-edged stories of tragedy and fate, all with orchestral arrangements sounding like chamber music gone folk.

On Saturday, May 20, attendees will enjoy *Richard Bernard's OY! STARS* klezmer music. This performance is lively Yiddish jazz with infectious upbeat tempos, achingly soulful ballads, and inherent humor. *Richard Bernard's OY!STARS* have been seen in many major films and TV shows, heard on CD, and have appeared in concert with top international stars. This is the only klezmer band that can wail with precision, soul, as well as wacky abandon.
