Whether you attended VISION or not, this roundtable discussion will be very beneficial to you and your team. Join us as we discuss the highlights and takeaways from management & technical training sessions. Attendees will share valuable information from training sessions, as well as discoveries of new technology, services, tools and equipment found on the exhibit hall floor. VISION is so big, and there are so many training sessions that it is impossible to be everywhere. Don't miss this opportunity to share and learn what you missed!
