

## 2019 Silent Auction Donation Form

The VISION 2019 event will host a new Silent Auction fundraiser featuring donations of tools, products, services and gift certificates. Watch for information about the website and app that will feature the items and host the 2019 silent auction process. All donations are tax deductible and will be directly benefiting students that are actively pursuing a career in the automotive industry and industry professionals attending VISION. Scholarships will be made available through your generous donations. All donors will be acknowledged on the ASA Midwest website, events and industry news releases.
