

The Harvey Chan Technical Scholarship was established in 2018 to commemorate the life of Harvey Chan and to continue his legacy. Harvey was well respected in the industry and seen by many as a leader who not only had an eye for precise detail, but truly was a life-long learner. The scholarship has synergy with Harvey's passion to bring education to America's youth in the industry.

This scholarship will be awarded annually for a recipient to attend technical training at the VISION HiTech Training & Expo. Candidates for this scholarship must complete the application below and applications will be reviewed by a committee of family and friends. This scholarship was made possible through generous donations to share Harv's love for great training. A 4-day Power Pass training package and ticket to the Awards Dinner/Comedy Night is awarded through this scholarship.

Harvey Chan (1958-2018)
