

# Southeast Iowa Chapter

**Thursday, November 15, 2018**

**6:30 pm - 8:30 pm**

## **“What Keeps You Up At Night?” Industry Roundtable & Chapter Kickoff Event**

**WHO IS THIS TRAINING FOR:  
Shop Owners and Managers**

Join us as we discuss the concerns and fears of owning and managing a repair shop in today's economy. MWACA (Midwest Auto Care Alliance) wants to hear your concerns about the industry and find out how we can better serve you. We will discuss ways to take on these issues and prepare your shop for a successful future. We will also update you on exciting activities and initiatives launching with MWACA and the upcoming 2019 VISION HiTech Training & Expo.

At MWACA, we strive to be a leading provider of top of the line training, money-saving programs, shop member support, and relevant industry-related updates along with other important benefits and services designed to help you. You have an important voice and we hope you will join us on November 15!
