Getting One or Two More  
Cars Out the Door a Day

**Presented In Person By: Ron Haugen, Westside Auto Pros**

The technician shortage is real. Many shops are and have been recruiting without success. But the cars keep coming, people are impatient, and the work is stacking.

Slow techs? Not producing? Seem like they take too long on the job?

Does this sound like your shop? Maybe or only during peak months?

If so, this workshop is for you. Real world solutions, implemented and perfected by the instructor in his own shop and in use today, as well as trained and implemented at many shops across the country are covered.

Many cost little or no upfront investment and yield thousands in additional sales.

Come spend an evening and get your shop tuned up and running like a well-oiled machine.
