Dear Chairman Bryant,

After prayer, deep reflection and discussions with my family and close friends, I am writing you today to ask for your consideration in allowing me to rejoin the Republican Party.

I believe qualifications and experience matter in our judges. I have always believed that the most qualified people should be elected as judges in Jefferson County. I feel so strongly about the qualifications, experience and character of Judge Teresa Pulliam, that I feel compelled to publicly endorse, actively campaign and vote for the Republican nominee.

On numerous occasions, I have cast my personal vote for Republican judicial candidates. Without any reservation, I intend to publicly work for the election of Judge Teresa Pulliam. With that in mind, I find myself very uncomfortable being considered a democrat. I want to return to the Republican Party.

Finally, I believe it is the right thing for me personally. I have always been a conservative. I have been a Republican in the past – even elected as a Delegate to the Republican National Convention in 2004. While serving in the State Senate I was elected leader of the Republican caucus by my fellow Republicans for 8 years.

Quite simply, it is time for me to return home.

Thank you for your consideration.

Sincerely,

***John Amari***
