

PHILLIPS GILMORE
ONCOLOGY COMMUNICATIONS, INC.

November 14, 2017

Dear Participant:

You are invited to attend **Northside Hospital Cancer Institute's Oncology Nursing Symposium: Innovations and Advances in Cancer Care**. The program is a day and a half continuing nursing education meeting that will address the special needs of nurses, advanced practice providers, and pharmacists caring for patients with cancer. The symposium will address the latest innovations in cancer care, on topics ranging from new and novel therapies, disease updates, end of life care, legal developments related to oncology, genetic screening considerations, and targeted supportive care. Expected attendance is 150.
