

7<sup>th</sup> Meeting | Northside Hospital Cancer Institute Nursing Symposium

# INNOVATIONS AND ADVANCES IN CANCER CARE

Friday & Saturday, February 16-17, 2018

Crowne Plaza Atlanta Perimeter at Ravinia, Atlanta, Georgia

## PROSPECTUS

### OVERVIEW

We invite you to join us for this continuing nursing education symposium that will address the latest innovations in cancer care. The symposium will present up-to-date information on a variety of cancer care topics, including new and novel therapies and disease updates, end-of-life care, legal developments, genetic screening considerations, and targeted supportive care.

Distinguished faculty from the Northside Hospital Cancer Institute (NHCI) will present on diverse topics relating to caring for patients with cancer. NHCI has been offering cancer care services since 1975 and is one of the largest, most respected oncology care providers in Atlanta. NHCI is known for combining the clinical excellence available at large academic centers with the personalized touch of a community hospital. These NHCI faculty experts will bring that unique perspective to this program.

This event is jointly provided by SynAptiv and Phillips Gilmore Oncology Communications, Inc. Nursing contact hours will be provided for this activity.

Visit [www.northsidenursingsymposium.com](http://www.northsidenursingsymposium.com) for more information and registration  
(Open November 15, 2017)

## INNOVATIONS AND ADVANCES IN CANCER CARE

## LEARNING OBJECTIVES

**After completing this activity, the participant should be better able to:**

- Discuss and analyze the implications and ethical dilemmas that affect patients, providers, and the patient's family
- Envisage the future of genetic screening laws and ethical dilemmas with rapid breakthroughs in the science of genetics
- Explain the role of multidisciplinary interaction in the management of hepatobiliary malignancies
- Explain how identification of problems early in the postoperative course of patients that undergo complex surgery translates into better outcomes
- Discuss the role of the Palliative Care Team in the management of a patient facing death
- Explain nursing care interventions at the end of life and the effect (emotional, physical, and spiritual) that death and dying has on staff nurses
- List three reasons why cardio-oncology clinics are needed
- Identify two commonly used chemotherapy agents that are high risk for cardiovascular adverse events and calculate a patient's cardiotoxicity risk score
- Describe factors in selecting treatment for a relapsed/refractory multiple myeloma patient
- Understand the role of stem cell transplant at the time of multiple myeloma relapse
- List the risk factors and signs/symptoms of sepsis, and learn how to advise cancer patients of when to seek medical attention
- Describe the severe sepsis goal-directed treatment bundles
- Describe CAR-T therapy and the cytokine release syndrome toxicity that is associated with the therapy
- List the optimal care for patients receiving CAR-T therapy, including monitoring and prompt management of toxicities with aggressive supportive care associated with cytokine release syndrome
- Recognize new statutes, regulations, and lawsuits that have occurred over the past two years
- Understand the basis for pathway-driven treatment of cancer and precision medicine
- Discuss harnessing of the patient's own immune repertoire in the treatment of cancer

## AGENDA

TIME	TOPIC	SPEAKER
<b>FRIDAY, FEBRUARY 16, 2018</b>		
5:30-6:00 PM	Registration & Cocktails	
6:00-7:00 PM	Dinner and Keynote Address: Ethical Considerations in Genetic Screening	<i>Katie Lang, MS, CGC</i>
<b>SATURDAY, FEBRUARY 17, 2018</b>		
7:00-8:00 AM	Registration and Breakfast/Exhibits Open	
8:00-9:00 AM	Advances in Surgical Treatment of Hepatobiliary Malignancies	<i>Eddie Abdalla, MD</i>
9:00-10:00 AM	Multidisciplinary Approach to End-of-Life Care	<i>Stephanie Stone, FNP</i>
10:00-10:15 AM	Break/Move to Breakout Sessions	
10:15-11:15 AM	<b>Track A</b> Cardio-Oncology Clinics—Where Have You Been All My Life?	<i>Linda Kelly, MSN, ANP-BC</i>
	<b>Track B</b> Management of Myeloma at Time of First Relapse	<i>Tajuana Bradley, MS, FNP-BC</i>
11:15-12:15 PM	<b>Track A</b> Navigating the Stormy Waters of Sepsis Care: Early Recognition & Treatment of Severe Sepsis/Septic Shock	<i>Amanda Walter, RN, MSN, CEN</i>
	<b>Track B</b> Understanding Chimeric Antigen Receptor T-Cell (CAR-T) Therapy: Current Understanding and Management of Cytokine Release Syndrome	<i>Connie Sizemore, PharmD</i>
12:15-1:00 PM	Lunch	
1:00-2:00 PM	New Legal Developments in Oncology	<i>Catherine Butler</i>
2:00-3:00 PM	Star Wars in Oncology: New Era of Targeted Therapy	<i>Mansoor Saleh, MD</i>

## INNOVATIONS AND ADVANCES IN CANCER CARE

### EXHIBITOR INFORMATION

#### Attendee Profile

This activity has been designed to meet the educational needs of healthcare practitioners involved in the care of patients with cancer. This educational program is directed toward oncology nurses, oncology mid-level providers, oncology nurse navigators, and pharmacists. Nursing students are also encouraged to attend. All symposium attendees will have access to the exhibit hall.

#### Industry Participation:

Individual Industry Participant:	<b>\$200</b>
Exhibit Table (one table-top display and two complimentary registrations):	<b>\$800</b>

#### Diamond (\$5,000)

- Eight (8) complimentary full-conference registrations
- Two (2) complimentary table-top displays at symposium
- Preferential assistance with meeting space
- Acknowledgement on slide (during breaks)
- On-site signage
- Logo and sponsorship level recognition on website
- List of attendees

#### Gold (\$4,500)

- Six (6) complimentary full-conference registrations
- One (1) complimentary table-top display at symposium
- Acknowledgement on slide (during breaks)
- On-site signage
- Logo and sponsorship recognition on website
- List of attendees

#### Silver (\$4,000)

- Four (4) complimentary full-conference registrations
- One (1) complimentary table-top display at symposium
- Acknowledgement on slide (during breaks)
- On-site signage
- Logo and sponsorship recognition on website
- List of attendees

#### Bronze (\$3,500)

- Two (2) complimentary full-conference registrations
- One (1) complimentary table-top display at symposium
- Acknowledgement on slide (during breaks)
- On-site signage
- Name recognition on website

#### Additional Support Opportunities:

Wireless Internet Access:	<b>\$3,000</b>
Refreshment Break:	<b>\$2,000</b>
Continental Breakfast:	<b>\$2,000</b>
Buffet Lunch:	<b>\$3,000</b>

#### Registration:

Please visit [www.northsidenursingsymposium.com](http://www.northsidenursingsymposium.com) to register. For more information, contact Allison Baker at (215) 247-4997 or [abaker@phillipsgilmore.com](mailto:abaker@phillipsgilmore.com).
