Join Rabbi Rachel Grant Meyer, Director of Education at HIAS, for a morning of learning, reflection and discussion. You will have the opportunity to gain an understanding of the global refugee crisis within a Jewish context and take action in support of refugees worldwide.

10:00-11:00am

We would greatly appreciate any monetary contribution to help defray the costs of Mitzvah Day. We will also be collecting tzedakah for HIAS. Check should be made payable to Temple Sinai.
