**2. Wednesdays with Rajan 2:** This program shows how the Sensation Method and other contemporary advanced methods are used in practice and is integrated with all conventional approaches in a harmonious synergy for much greater effectiveness in practice. 100 hours of clinical mastery is offered. More than half of the talks are by Dr Rajan Sankaran. For the rest of the talks Dr. Rajan Sankaran is joined by twenty-three of the worlds leading homoeopathic practitioners, each bringing their own unique flavor to homeopathic practice.

**3. Online Mentoring**

**a. Mentors At Your Doorstep** (group and individual mentoring available): Participants discover how to perceive a case and what is to be cured in disease and learn various case-taking techniques and methods of analysis. Mentorship supports the building of strong foundations in Sensation Method, Materia Medica and Repertory, and allows for the participant to bridge the gap between Symptoms, System and Synergy.

**b. Sensation from Scratch:** learn about the Sensation Method and its evolution directly from Dr. Rajan Sankaran via online video lectures. included for the first time is interactive, 1-hour live webinar session with Dr. Sankaran, once a month for a total of 6 sessions. Also included is group mentoring for gaining insight into basic materia medica, repertory and Sensation Method. There will be live discussion sessions (2 hours duration for a total of 12 sessions) via video conference every alternate week, with a mentor assigned to the group.

**4. Customized 2-week course at TOS in Mumbai for Australian and New Zealand Homeopaths (March 5-17, 2018):** Live cases with senior faculty such as Dr. Rajan Sankaran, Dr. Jayesh Shah, Dr. Sujit Chatterjee, etc...lectures supported by video cases, and clinical postings also included.

**5. Courses at TOS in Mumbai:**

**a. The 12 Days of Mastery: Mastering Homeopathy with the Masters:** live cases and lectures by Dr. Rajan Sankaran, Dr. Jayesh Shah, Dr. Sujit Chatterjee, Dr. Paresh Vasani, Dr. Mahesh Gandhi, Dr. Gajanan Dhanipkar, Plus the in-house team of doctors at the other song (5-17th February 2018).

## TRAINING OPPORTUNITIES WITH DR SANKARAN ONLINE AND AT THE OTHER SONG ACADEMY

b. **My Week With Rajan:** A 6-day live case workshop exclusively with Dr Rajan Sankaran (19-24 Feb, 2018). Live cases, video cases, follow-up sessions, in-depth learning with dr. rajan sankaran.

c. **6 Month Masters Course:** 6 months intensive and comprehensive training at the other song academy and clinic. Participants learn the importance of integrating traditional approaches and the Sensation and Synergy approach. They are taught how to successfully integrate use of repertory, materia medica with understanding of kingdoms, levels of experience and miasms. Practical training through live cases and video lectures with masters in homeopathy occur 6 days a week for 6 months.

6. **HOPE (Homeopathy Online Portal for Education):** HOPE is an online platform that provides video seminars and various lecture series that can be accessed on demand, right from your home. Many renowned homeopaths across the world have contributed to this project with the hopes of advancing homeopathy. Topics include the Organon, Case-Taking, Provings, Posology, Materia Medica, Repertory, and Contemporary approaches in practice.
