We are now accepting new members for the equestrian team. Please see Mrs. Bennett for more information.

On March 3 we are holding a New Student Celebration with pizza and dancing. Any current FFA members interested in welcoming the new class of Agri-Science students [please sign up here](#).

Also on March 3 we are holding a meet & greet with the parents of the newly accepted students. Please consider attending, as it is helpful for new parents to hear your perspective as a parent, answer questions, and talk about your child's experience at Wamogo. [Click here if you are interested in signing up to participate, or if you are interested in donating an appetizer or dessert](#).

Students attending JLC must bring back their permission slips by March 3.
