

Attendance Information

If your child is absent from any class without validation, the absence will be considered a cut from class and will be coded as such.

Automated calls regarding student attendance occur daily at 5:00 p.m. If your child is coded as CUT or T (Tardy), parent/guardians will receive an automated call. If you have more than one student enrolled at Wamogo, and more than one of your children were coded as CUT or T (Tardy), you will receive a call for each child.

Please note that it is important for Wamogo to keep an accurate record of absences due to state laws and the potential for loss of credit. If you have any questions regarding Wamogo's attendance policy, please refer to the student handbook by clicking [**here**](#). Additionally, attendance concerns can be discussed with your child's teacher or school counselor.
