SPONSORSHIP LEVELS AND BENEFITS

Dear NYPACE Supporters & Friends:

NYPACE is a 501(c)(3) nonprofit whose mission is to stimulate job creation and sustainable economic development by providing pro-bono business consulting to entrepreneurs from under-resourced, under-represented communities of New York City.

Since our founding in 2001, we are proud to have served scores of NYC-based businesses ranging from bakeries, barbershops, and laundromats to digital media companies, energy firms, and nonprofits. 80% of the businesses we serve are minority or women-owned tax paying companies who bring much needed services to their residents and help build and sustain vibrant communities.

In 2018 alone, NYPACE's dedicated corps of volunteer advisors will oversee more than 30 consulting projects, an all-time high, while providing nearly \$1 million in consulting value to help under-served entrepreneurs grow their businesses, generate jobs, and restore a greater sense of pride in their communities.

Proceeds from NYPACE's 2018 Fall Fundraiser will be used to leverage our core operations and propel our organization to scale over the next 2 to 3 years, as we continue to deepen our impact throughout the 5 boroughs of New York.

We hope that you will consider supporting NYPACE by becoming an event sponsor. We have created several levels of support that offer high visibility opportunities while helping us raise critical funds for our work. Many thanks for your consideration.

Sincerely,

Dan Zamlong
Board Chair
