Table-top Exercise-TTX	X		
<i>Your organization may retain Midwest Health Care, Inc. to provide consulting services at an hourly rate. Rates start at \$100.00 per hour.</i>			

EPP Policy Manual: Your organization or clinic will receive a copy of Midwest Health Care's (MWHC) Emergency Preparedness Program/Plan (EPP) Policy via e-mail. (editable Word/Excel format)
Webinar Training: Midwest Health Care will provide webinar training, up to one hour, with your organization or clinic. The webinar will focus on EPP Policy Manual training and editing. Limited to 10 participants.
On-Location Training: Midwest Health Care will provide training on-location, up to one day. The training will focus on editing the EPP Policy, and Emergency Preparedness compliance fulfillment.
Table-top Exercise (TTX): Midwest Health Care will facilitate a TTX to fulfill one of the annual exercise requirements. The TTX will be selected by MWHC.
<i>Emergency Preparedness Program Policy Manual and support provided from Midwest Health Care will assist clinics in fulfilling components of 42 CFR 491.12. It is the clinic's responsibility to ensure compliance of all components and requirements of the regulation(s).</i>
