## A Letter of Welcome from Our Leader

Praise the Lord! Welcome to IFFM 2015. This year marks the eighth year of IFFM. During these brief years, God has blessed us to grow from a vision on a ferry off the coasts of Freetown, Sierra Leone to a global ministry in nearly thirty countries around the world.

As you may already know, in the Bible, the number seven represents perfection or completion. However, the number eight stands for “new beginning.” This is exactly what we are asking God to do for us this year. Give us a new beginning.

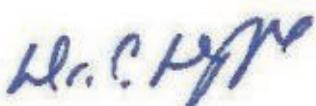

It is our hope and prayer that during this year, on the local, national and international level, IFFM will begin again. Begin again to refocus on our mission to teach, preach and heal.

Begin again to start and establish chapters all around the world. Begin again to raise up leaders who will carry the torch of IFFM. Begin again to equip the saints to do the work of the ministry.

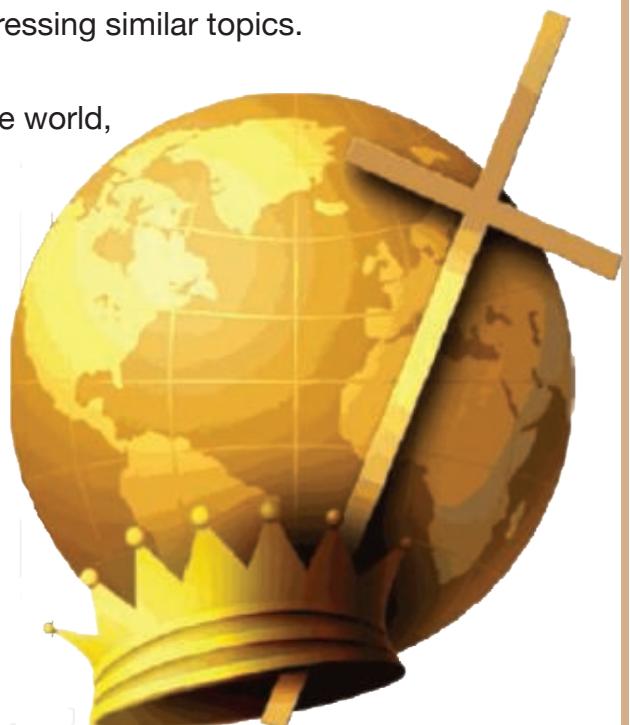

As a part of this effort towards a new beginning, we are doing our Convocation differently this year. First of all, the primary emphasis will be on having an IFFM Convocation sponsored by our local chapters in their respective areas. Then, another new thing will be a Simultaneous Convocation in July 2015 where our chapters and friends from around the world will host more 200 small groups to view the video: “A Stationary Missionary” during the week of July 19-24th. Then, on Saturday, July 25th from 9 AM to 12 PM (EST) we will all participate in a time of workshops and worship which will be broadcast live from Faith Ministries Church or sponsor our own local session on the same day addressing similar topics.

With the leadership of our IFFM teams throughout the world, this year’s Convocation is going to be great. We are confident that God will be praised and God’s people will be blessed.

Thank you so very much for joining us. May God continue to bless you, your family and your ministry for the Lord!

International President and Founder

**JOHN R. KASICH**  
GOVERNOR  
STATE OF OHIO

July 19, 2015

Greetings,

Karen and I would like to extend our warmest congratulations to Dr. C. Dexter Wise III, founder of Faith Ministries Church and the International Fellowship of Faith Ministries (IFFM), as you and your global network of churches celebrate the 8<sup>th</sup> Annual Convocation of the IFFM being held July 19-26, 2015.

The IFFM is an international outreach of Faith Ministries with a goal to create a network of mission minded churches, church leaders, and church members who seek to become better equipped to serve the world. The theme of this year's convocation is "*A Stationary Missionary: How to Touch the World Without Leaving Town.*" I appreciate Dr. Wise's decision to use technology, as this will allow IFFM members, friends, partners, and chapters to simultaneously participate in the convocation from Columbus or from their hometown. You are equipping attendees to impact the world right from where they live.

Ohio's churches have traditionally been the bedrock of our society. I am humbled by your daily work, your faith in God and steadfast commitment to His work. Congratulations to Dr. Wise and the IFFM team on your admirable goals and desire to improve your local community and the world. May God continue to bless you and best wishes for another successful convocation!

Sincerely,

A blue ink signature of John R. Kasich.

# Congressional Recognition

Presented to

## INTERNATIONAL FELLOWSHIP OF FAITH MINISTRIES

in recognition of their

### 8<sup>th</sup> Annual Convocation

On behalf of the citizens of the Third Congressional District of Ohio, I am pleased to recognize the International Fellowship of Faith Ministries for holding their 8<sup>th</sup> Annual Convocation.

As this convocation demonstrates, IFFM has seen remarkable growth from a small vision to an international organization with representatives from nearly thirty countries. Since the number eight stands for “new beginnings,” this year’s theme inspires IFFM to refresh their efforts on creating a mission focused church and aid in the personal and spiritual development of individuals and communities across the globe. Group efforts, like this one, will play a significant role in improving people’s lives in the decades to come.

Therefore, on July 19, 2015, I commend Dr. C. Dexter Wise III and the delegates for the 8<sup>th</sup> Annual Convocation at the International Fellowship of Faith Ministries and wish them continued success in year to come.

Sincerely,

  
Joyce Beatty  
Member of Congress

During 2014, the deadly Ebola virus claimed the lives of more than 4,000 West Africans. Ground zero of this viral attack was in Guinea, Liberia and Sierra Leone. Since IFFM has chapters in each of these nations, Dr. Wise sent out a plea to help our brothers and sisters there. People responded with an offering of \$3,000.00 which was sent to help in the following ways:

### 1. HOME MEDICATIONS

Because people were afraid to be infected by the virus, they were not going to the hospital even when they were sick with other diseases. They were afraid for that the authorities might consider them Ebola victims and keep them with others who were already Ebola victims. Our donation provided medications which could be used at home for persons who may have been sick, but not from Ebola:

### 2. EBOLA WORKSHOPS FOR IFFM MEMBERS

This was an ideal time to offer information on how to prevent the spread of Ebola. This education was a critical matter because it offered people the truth about Ebola. Disinfection kits were distributed to those who attended and completed the workshop.

### 3. IFFM MEMBERS FEEDING ASSISTANCE

One of the most troubling aspects of the epidemic was that people were not eating well and right for their bodies to combat and resist the virus. This, too, contributed to the number of deaths. Had people been eating well balanced diets they would have had some resistance in their immune system to combat the virus. To address this, we distributed food for families not yet effected by Ebola.

### 4. ASSISTANCE FOR QUARANTINED INDIVIDUALS AND FAMILIES

Many who were stricken by Ebola were quarantined. These needed assistance as well. To ameliorate the situation, food for those who were quarantined was also provided.

Rev. James Khanu and the IFFM Chapter in Conakry, Guinea are shown below distributing food and supplies to combat the spread of Ebola.

The Eighth Annual IFFM Convocation will truly be a unique event as more than 200 small groups in 20+ nations will be participating in the IFFM Convocation. Thanks to Pastor Roger Tanga (French), Pastor John Restrepo (Spanish) and Pastor Dildar Pervez (Urdu), this year's Convocation materials will be available in print and video in four different languages. To God be the Glory!

## IFFM on FTV in Pakistan

The translation team at Faith Television Network in Pakistan is shown preparing up to 110 Stationary Missionary DVD's for small groups in Pakistan.

You can see A Stationary Missionary translated into the Urdu language at: <https://vimeo.com/129895896>. Even if you don't speak the language it is amazing to see!

## IFFM Expands to Europe

IFFM now has a presence in Europe due to the leadership of Pastor Roberto Pabu Mpembi and his wife Agnes. He and his ministry is based in Paris, France. Their French IFFM Chapter has plans to spread IFFM throughout France, then to Brussels, Switzerland, Italy, Spain and beyond.

## IFFM Behind Bars

Not only is IFFM breaking language barriers, it is also reaching behind prison bars. Thanks to Norman Robinson, Michael Davis and Gary Croft, there will be an IFFM small group in each of the 32 Ohio adult prisons participating in the Convocation this year. Rev. Donald Bean who oversees the chaplains of the three Juvenile Correctional Facilities has also committed to have the incarcerated youth of the state to participate as well. The gospel has no bounds and neither should we!

# Sickle Cell Sabbath

Saturday, September 19 &  
Sunday, September 20, 2015

## Sickle Cell Sabbath is an interfaith outreach campaign

It takes place during September National Sickle Cell Awareness Month and is designed to educate and increase awareness within the faith community about sickle cell disease and the need for minority blood donors. Sickle cell disease is an inherited blood disorder that is commonly found in persons of African ancestry, but also occurs in other ethnic groups, including people whose families come from Spanish-speaking regions in the Western Hemisphere (South America, the Caribbean and Central America); the Middle East; India; and Mediterranean countries such as Turkey, Greece and Italy.

The goal of Sickle Cell Sabbath is simple: Increase the number of blood donors within these various ethnic groups

A statewide initiative, Sickle Cell Sabbath is a coordinated, cooperative effort between the Ohio Department of Health Sickle Cell Services Program, state-funded regional sickle cell programs, regional blood programs in Ohio (participation may vary) and participating statewide and/or local faith-based group/organizations.

## All religious denominations are encouraged to participate
