I am a piece of paper.

I am a piece of paper and even more

I am an idea

I am a promise

I help men and women see visions, dream dreams and achieve economic immortality

I help educate children

I am also valuable property

I help pay off mortgages so that a family can remain together in its own home

I assure mothers and fathers the daring to live and the moral right to die

I help protect the jobs of employees and conserve the employer's investment

I am tangible evidence that a man is a good husband and father and a woman is a good wife and mother

I am a declaration of financial independence, a character of economic freedom

I can provide cash if illness, injury, old age or death cuts off the breadwinner's income

I am something parents can buy on an installment plan that their children don't have to finish paying for

I am protected by laws that prevent creditors from assessing the money I give your loved ones

I help bring dignity, peace of mind and security to the later years of life

I supply investment capital that makes the smoke go up the chimneys, wheels turn and motors hum

I guarantee there will always be Christmas or Chanukah, a happy fireside and the laughter of children even though a parent is not there

I am the guardian angel of the home

I am your life insurance policy! This is what we do!

The above represents someone's thoughts and feelings about owning a permanent life insurance policy. Origin unknown. It should not be considered a summary of policy features and benefits. Refer to your actual policy for that information. Policy loans accrue interest and reduce the death benefit and cash value. Creditor protection varies by state.

A Letter of Welcome from Our Leader

Praise the Lord and welcome to all of the delegates, members and friends of the International Fellowship of Faith Ministries! It is our joy to have you as a part of this unique and anointed international mission which for eleven years has been preaching, teaching and healing around the world.

Because of God's grace, your prayers and support, we have been able to grow from a simple concept to real life chapters and contacts in nearly fifty countries. It is our hope and desire that in the next few years, we will be able to go wider in our range, deeper in our roots and higher in our reach.

Just as this year's theme suggests, we are taking steps in the spiritual and natural realms to be ready to receive the tremendous overflow which God is about to release upon us as individuals, as churches and as a global missions outreach. We invite you to come along with us as we run on to see what the end is going to be.

May God bless you, your family and your ministry. Once again, welcome.

Yours in Christ,

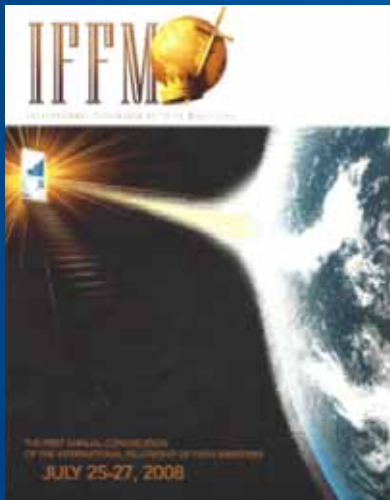

Dr. C. Dexter Wise III
International President and Founder

Highlights of a Hallelujah History

“Ministries” is in the middle of our church’s name (Faith *Ministries* Church). However, from the very beginning “missions” has been at the center of all we do. Whether it has been outreach to the homeless in shelters, preaching to inmates in prisons, feeding the hungry by the hundreds every month, visiting the sick confined to hospitals and homes, or spreading the gospel door to door in our community, we have always had a heart for outreach and missions.

Still, in an increasingly visible manner, this inbred penchant for missions began to crystallize between 2005 and 2007, when on the last Sunday in July during those years, we celebrated Missions Sunday. Little did we know that these simple annual days focusing primarily on *local* missions would grow into significant *international* missions.

In a true sense, that leap from local to international began with a trip Dr. Wise and now Rev. Tobias Houpe made to West Africa in 2006.

During that trip, while having a conversation on a ferry off the coasts of Freetown, Sierra Leone, the vision for IFFM was birthed in the heart of our pastor. Eleven years later, we have seen it grow into a global faith phenomenon of preaching, teaching and healing.

Here are some of the highlights of what has become a brief, but blessed hallelujah history.

2004

Rev. Tobias Houpe met Pastor Dan Kemoh by “providence” in a Columbus library. Pastor Dan is a Sierra Leonean pastor who lived in Columbus, OH. The two collaborated on making a trip to Sierra Leone to see how Faith Ministries could do mission work there.

2005

In March of 2005, Rev. Tobias Houpe and Pastor Dan Kemoh travel to Sierra Leone. While there, they sought opportunities for ministry and visited several villages. The IFFM vision still had not been formed at this point.

2006

Dr. Wise travels to and ministers in Sierra Leone, West Africa where he met up with Rev. Tobias Houpe who had already been there for several days. It was on his departure from Sierra Leone that the vision of IFFM was revealed to Dr. Wise during a conversation on a ferry with a local pastor named Jonathan Fumba.

After leaving Sierra Leone, Dr. Wise flew across the continent of Africa to preach in Kenya, East Africa. He was in Africa for ten days with only one suit and one shirt since his luggage did not arrive in Africa with him. He didn’t get his bags until he got back to the states 10 days later!

2007

In 2007, based on the vision received during the 2006 trip, Dr. Wise called a meeting to introduce the concept and launch the ministry of IFFM. The theme of that initial meeting was: “Getting Ready to Reach the World.” Ministers and members of Faith Ministries attended, as well as, international pastors and lay people from around the city.

Mark Caldwell, who attended the launch meeting of IFFM, had previously planned a trip Ghana. While there, he gave an IFFM information packet to a preacher he “randomly” met named Michael Nwoso. This was the first contact of Africa and IFFM.

2008

First IFFM Convocation held July 25-27, 2008
