

Georgia PTA *gets in* SHAPE

Saturday,
September 17, 2016

Georgia PTA, in partnership with Georgia Shape, Stone Mountain, and Walk Georgia!, is inviting all parents, students, and siblings from PTAs around the state to get outside, move around, and have fun with your family and friends.

WE HAVE TWO DIFFERENT WAYS YOU CAN JOIN US:

- 1 Hike Stone Mountain** and explore the activities at the Educational Annex! Join us from 9am-2pm just outside of the Park West Gate (NOT the theme park entrance). The Environmental Center will have fun activities for kids, then you and your family and/or friends can hike up Stone Mountain.
- 2 Visit a state park in your area!** Enjoy a nice hike with your family and/or friends. Need help finding a park? The Georgia Department of Natural Resource's website has a comprehensive list and map to help you find a park near you (<http://gastateparks.org/parks/>).

For exact directions to the Stone Mountain Education Annex, visit the Georgia PTA website.

Let us know where you are! Use the attached flyer to fill in your location and hold it up in your photo or video on Saturday, September 17, 2016. Use the hashtag: **#PTAinShape** to share your video or photos on Facebook, Twitter or Instagram by midnight on the 17th. We have great prizes for the most creative photos or videos, including \$50 cash, Georgia Shape prize packs with fun yoga and fitness gear, tickets to UGA basketball and gymnastic meets, and a Walk Georgia prize pack.

If you are hiking Stone Mountain: Please be sure to use the **Park West Gate entrance**, not the theme park entrance, for the hike up the mountain. After your hike up the mountain, families are encouraged to go to the Stone Mountain Theme Park for the discounted rate of \$19.80 (www.stonemountainpark.com/ptainshape). Tickets at the discounted rate must be purchased in advance. Georgia PTA will receive \$1.00 per ticket.
