

Week 37 9/10-9/16

Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.” Joshua 1:9

When we have a job to do, it will be challenging and we must enter it with courage. We should remind and encourage others going through the same. Without God it can be frightening but with God, it can be an adventure.

God is with us as we face new and existing challenges. Each day may bring tough situations, difficult people and temptations. God promises us however that He will not abandon us or fail to help us...but you have to remember to ask Him.

This week I want to remind myself and encourage you to ask Him to direct us so that we can conquer many of life's challenges.
