Week 12 3/19-3/25

Verse: Galatians 6:9 says, "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

Notes: Don't settle for less than God's best for your life. If that means going through a tunnel of conflict, take the tunnel. In the middle of the tunnel, it will be dark, and you will want to run back to the light. But you've got to keep going until you come out on the other side into the light.

Instead of getting discouraged, be persistent and pray.

Notes:

This week there is nothing to print out, nothing to trim down and nothing to color. Just an example of how I document my faith and a reminder.

Documenting your faith journey can be as simple as writing down a verse on a card (the card pictured is an old project life card) and paper clipping it to a page in your journal or Bible. That is it.

Don't overcomplicate the process or get caught up in the products. When we do that, we lose sight of the purpose and THAT makes or weary very quickly.
