

Week 12 3/18 – 3/24

God promises to save us out of our troubles

“The righteous cry out, and the Lord hears them; he delivers them from all their troubles.” Psalm 34:17

NIV Notes: God promises to be close to the brokenhearted, to be our source of power, courage and wisdom, leading us through our problems.

God’s promise does not mean that if we trust Him we will escape loss or suffering; it means that God himself will never leave us no matter what we face.

Look up the following verses in the translation of your choice or I challenge you to look them up in different translations.

Psalm 34 :6

Psalm 34:4
