

Professional Development Grant Opportunity

Apply to bring in the Iowa Afterschool Alliance to train your staff and/or partners on a number of topics ranging from STEM to sustainability planning. Pick from a menu of topics for one training with options for online or in-person training.

Two Iowa Afterschool Alliance trainers from State Public Policy Group (www.sppg.com) will come out to your program and facilitate an in-depth session on a topic of your choosing. We'll consult with you on your program needs and design a training schedule ideal for your program staff and/or partners and the topic you select.

Valued between \$1,800 and \$2,500 based on travel required.

Grant period is six months. Up to 2 applicants will be selected per grant period. Must be listed in the Iowa Afterschool Alliance Program Directory to be qualified to apply. List your program online at <http://iowaafterschoolalliance.org/afterschool-programs/register/>.
