From the Pastor's desk.....

Later this week, Avista will be installing wifi throughout the church building. From the Friendship Class to the Sanctuary, from the Journey Class to Chambers Hall, we will be able to connect wirelessly to the digital world. Why would we want to do that? Just this week a teacher from the Seekers Class asked me about wifi so that she can present something during a Sunday School lesson. I have also been approached about that from the Friendship class as well as for gatherings in Chambers Hall.

Wifi will be like railroad tracks. What "freight" we use to the various parts of our building is up to us. We will have an enhanced capacity for teaching, leading, learning and ministry. I can see the day when video monitors are utilized for funeral visitations in Chambers using the wireless technology. Audio, video, and interactive technology would be available for council and committee meetings as well as Sunday School lessons. Our staff will be able to do more effective work via stronger and more reliable wifi in offices.

I encourage you and your classes, groups and circles to utilize this technology in ways that will equip you to be better disciples for Christ Jesus. All the while, I encourage you to dream. What other technological tools can we use to equip us to change lives and transform communities for Christ on the campus of Cayce United Methodist Church?

Peace,
Joseph

► Men of the Church

Cayce United Methodist Church

Men, let's add to the record of experiences shared together over the years by the men of CUMC. I have planned initial events described below to get us started. Whether you plan to attend or not, take a few minutes to phone me or send a text to 864-396-0886. Not only will this create a roster of attendees, but will help me know if we should repeat or reschedule the event. Of course, I do not intend to be the only one planning our events in the future, so I look forward to your suggestions. Thanks!

At your service,

Neal Asman

Remember: Phone me or send a text that includes the event name, your name and your phone number. It is important to know how many plan to attend and your contact information to keep you posted on event details or any changes.

Event: BIBLE

I've scheduled 3 Friday early mornings to serve as a startup series for a group of men interested in an ongoing gathering for a brief Bible study/discussion/prayer. Over coffee and a breakfast sandwich, a table at the West Columbia McDonalds at 1303 Charleston Hwy will provide easy logistics before work or the rest of your day.
