**Wednesday, February 7<sup>th</sup>**  
**8:30AM - 5:30PM**

### Tukwila Community Center

1242 42nd Ave South, Tukwila, WA 98168

Join us for a day to network, share strategies, and learn about tackling challenges - as you navigate your career path.

This symposium is all about women leaders at various stages of their careers and in different circumstances learning from each other.

Come learn how masterminding is used to leverage the power of networking and mentoring that builds a support system that inspires and motivates women to set and meet powerful goals. We encourage women to expand their roles as peers, mentors, and mentees to include all ages, stages, or phases of life.
