

# Re-Introducing the Co-op Connections Program!

**A program that benefits cooperative members by offering valuable discounts from participating businesses and increases customer visits at local businesses.**

## Here's how the card works:

- **A&N Electric members will receive a free Co-op Connections Card, a Key Fob, and a list of participating local and national businesses.**
- **This program gives participating businesses exposure to our 27,000 members and millions more served by our fellow Touchstone Energy cooperatives.**
- **Co-op members are encouraged to shop at participating businesses through promotions in our newsletter, website, Facebook page, etc.**
- **When they show the card at any participating business, they receive a discount. It's that easy!**

## Here are examples of typical business discounts:

- **10% off regular priced paint and paint accessories**
- **Free item with purchase of product or service**
- **Buy one, get one free**
- **10% off purchase of product or service on certain days or at specific times**

**This program is FREE to participating businesses!**

**All participating businesses have the choice to opt out of the program at the end of every year.**
