

Welcome WTS to Boise GreenBike! What follows are simple step-by-step instructions on creating an account and using the bikes. We encourage you to sign up well in advance of the event. We also strongly recommend that you download the Social Bicycles mobile app because it makes it so much easier to find bikes and station hubs.

If at any time you have trouble please call Customer Service at 208-345-7433 or Dave Fotsch, Director of Boise GreenBike at 208-331-9266.

## Where to put the lock?

Once the bike is unlocked pull the U-bar out and put in in the holster on the left side of the rear rack.

## Locking the bike

When you have finished your ride, lock the bike by putting the U-bar into both holes on either side of the rear rack. Please lock it to something, like a bike rack. Move the bar back and forth until you see the 'Thank You' message, that means the bike is locked correctly.
