245 East Third Street
Long Beach

BRING YOUR OWN BIKE!

Biking Tour of Downtown Long Beach

Long Beach has a strong bike culture and is home to Southern California's first parklets and many more. See them through the urban lens as you bicycle around downtown to experience a variety of these award-winning parklets and learn about their unique challenges, neighborhood impact and success.

Learning objectives:

1. Understand the benefits of parklets and how they can impact positive change in our cities.
2. Learn how parklet locations are selected and used as an urban design element.
3. Learn about the successes and challenges of planning, designing and implementing parklets.
4. Understand the unique use of landscape, storm water management and sustainability in parklet design.

FIELD SESSION LEADER:
Kirk Keller, ASLA
Studio One Eleven

Cost to Attend:

ASLA Members: \$20 ASLA Students: \$10
Non Members: \$30 Non Student Members: \$15
