**Share the Plate Nominations**  
**DUE JUNE 10<sup>th</sup>!**

First Parish will have a special collection for a different nonprofit organization each month under its Share-the-Plate program. The Faith in Action Committee will be selecting organizations to receive these monthly contributions beginning in September 2018. This is your opportunity to nominate an organization to be considered for a one-time contribution. Please note that FIA will make the final selections and that state or local organizations will be given preference over national organizations. You are invited to attend the FIA meeting at which selections are made.

**Simply complete this form and return it to the BOX in the Parish Hall, or email it to Marianne Hill, [hillmarros@aol.com](mailto:hillmarros@aol.com), no later than June 10.** Thank you!
