**Each quarter the class or classes will compete within their own division. Division number one is Kindergarten, First grade and Second grade; the second division is third and fourth combined competing against fifth and sixth combined. At the end of each quarter the winning team will win a prize!**

**The students will also have an opportunity to earn a smaller prize. Each time a student fills out a sheet of 25 Box Tops (the first one will be sent home with your student) they earn a pencil. The more they fill out, the more they will help their team. Once a student has filled and submitted a sheet, they may get another in the Main Office.**

**What do YOU need to do? Simply cut those Box Top, fill in the sheet, and turn them in. That's it. Each classroom has a collection box and students simply deposit their coupons in the box. Boxes will be gathered throughout the quarter for each contest to be counted.**
