PSAT/SAT Study Helps

There are several online free practice tests and study helps for both the PSAT and the SAT. You can simply google “PSAT or SAT practice tests”. You can also order off of Amazon the Princeton Review PSAT/SAT practice test workbook for about \$20.00. This book contains the test answers and the explanation as to why the answers are what they are. Here are a few online websites you can also use for study help as well.
