Preliminary Map

The map illustrates a coastal residential development. A large, irregularly shaped land area is situated between a body of water on the left and a more developed, built-up area on the right. The land is divided into numerous plots, some of which are shaded yellow and others green. A small, circular area of plots is highlighted with a yellow border. The water is a light blue, and a small boat is visible on it. The text 'TANNERY BAY' is printed in the upper right portion of the map. In the top right corner of the entire graphic, there is a yellow box containing the text 'EASTBROOK CONCIERGE' and 'Call 619-284-1542 or email concierge@EastbrookHomes.com'.
