

**Our Mission** – Safety and fun for both employees and guests alike is Catamount's objective each year. Catamount strives to continue producing a quality experience for guests and a great place to work for employees.

**Our Background** – The Gilbert and Edwards families have been operating Catamount for 45 years. Tom Gilbert and Rich Edwards have been involved at the mountain for most of this period. Tom is the General Manager overseeing Operations and Administration and Rich primarily manages Marketing and Advertising.

**Our Blueprint for Success** – Besides needing cold weather, Catamount employees are the backbone of the operation. Most Department Managers have been at Catamount for 15-50 years and are very good at what they do. They continue to train future Department Managers.
