

## HELLO FABULOUS PANTHER FAMILIES!!!

Very soon we will be launching this school year's PTA Party Book online! Our PTA Party Book is one of our biggest fundraising efforts benefitting the PTA. It's also our way of building community amongst families within the class, grade and the entire school.

Are you often organizing group play dates, or outings with other families? Do you have a talent that you could share by teaching others? Do you own a business that has a location or service that a party could be themed around? If so, WE NEED YOU!!

### The Goal:

Coordinate a handful of families to host a fun, easy, inexpensive party.

Here are some party examples:

Father Son Flag Football in the Park  
Beach Hangout by the Pier  
Guys' game night  
3<sup>rd</sup> Grade Pizza Party at Roundtable  
Ultimate Frisbee at Polliwog Party  
Parent and Child Cooking/Baking Party  
Home made Christmas gift making party  
Kindergarten Valentine card making party  
Parent Child Ping Pong Party

### The Commitment:

The more families that are willing to help, the easier it will be. If each grade level has 2 parties, it would be FABULOUS!

Our school is filled with amazing families. Let's take the time to grow together and become even stronger!
