

## Keep your kids safe at The Zone Pacific School Parking and Zone Etiquette

The Zone Volunteers help you drop off your kids safely and efficiently.  
We've got distracted drivers, huge vehicles, and darting children.  
Please follow The Rules to minimize the chances of an accident.

- **Follow The Rules:** The safety of all students is a priority!
- **Stop at the Stop Signs:** Especially the one at the top of the hill. You are entering an *active school loading zone*- please stop at the stop sign.
- **Stay in your car:** We can do this faster, and more safely, if you stay in your car. Drivers walking around slows everything immensely, and encourages others to pull around.
- **Stay In One Line:** Wait your turn and everyone will be safe.
- **Pull All The Way Up:** When the volunteers are there, follow their signals to pull all the way up.
- **No Phones In The Zone:** We need your whole brain. Please put down your phone and keep safety a priority. 
- **Keep Seatbelts On:** Your kids can unclick a seatbelt in under a second, but please ask them to unbuckle when your car is *stopped in the volunteer area*.
- **Have Your Kids Ready:** Have backpacks and instruments up front. Your volunteers can help get gear out in seconds—if we can see and reach it.
- **The Right Side Is The Right Side:** Make sure your kids exit on the *right of your vehicle*. Move car seats to make this possible.
- **No Schmoozing:** Do not arrange play dates, tee times, lunches or tennis matches here.
- **Kindergarten Parents:** Don't block *The Zone Entrance* while you unload your kids. Drop your kindergartner off in The Zone or park your car in the lower parking lot.
- **No Left Turn:** Always turn right when leaving The Zone. It's the law.
- **Don't Jay Walk:** It is very dangerous and against the law.
- **No Kids, No Zone:** The Zone is for dropping off children. It's not a turnaround.
- **No Double Parking:** The Manhattan Beach Police Department will ticket violators.
- **Pass It On:** Make sure your spouse or nanny knows the rules. There will be a quiz.

**Thanks For Playing By The Rules.** The Zone and your Zone Volunteers are there to help keep kids safe and everyone will save time with your help.

All Pacific students thank you in advance for keeping them safe!
