The Manhattan Beach Education Foundation (MBEF) is a community driven fundraising organization, which supplements state funding for programs that inspire learning, enrich teaching, and promote innovation and academic excellence in the public schools of Manhattan Beach.

Donations to the Manhattan Beach Education Foundation (MBEF) have allowed the Foundation to grant nearly \$5.8 million to MBUSD schools for the 2016-2017 school year. In all, donations pay the **salaries of 70 educators** – a cost that's a significant part of our School District's budget – **at the seven public schools in Manhattan Beach**.

At Pacific School the MBEF grants pay for small class sizes; physical education with our PE teachers, Ms. Tower and Ms. Kalmbach, hands-on STEM (science, technology, engineering and math) opportunities with our science specialists Mrs. Liu and Ms. Ibrahim; valuable time with our librarian Ms. Rheaume; opportunities for growth for all levels with reading specialist Ms. Cross; music with Ms. Cavallero, Mr. Nail and Ms. Watson, and so much more.
