Friday, January 20

12:45 – 2:45	BREAK	3:00 – 4:30
Part A: COA Meeting Updates **Part B:** What it takes to be a COA member		**Innovative Concepts in Certification Programs: A Multi-Agency Presentation** This workshop gives 3/4 agencies the opportunity to give presentations on innovating concepts within their certification programs. The workshop will be facilitated by a COA member with an opportunity for questions and discussion.
		Introduction to the Pro Board This workshop is designed for those who are interested in learning more about the history, mission, and purpose for the Pro Board system. It takes you from the evolution of accreditation to its current state. This session will be valuable for those new to the Pro Board system, or those who would like more in depth understanding of the system.
		Assessment Methodology This workshop will discuss the various Methodologies used to assess the requirements of the Standards JPR's. Special emphasis will be given to the use of Project Methodology. A segment of the workshop will be devoted to the development of the Change in Accredited Process Application.
12:45 – 2:45	BREAK	3:00 – 4:30

Saturday, January 21

08:30-10:00	BREAK	10:30-12:00
Preparing for a Site Visit Do you have a site visit coming up? Whether it is a re-accreditation or initial accreditation, this workshop will prepare you for what to expect during the site visit process. You will be given an overview of the self-assessment process, information on what to expect prior to the site visit (forms and documents), during the site visit, and following the site visit. Come ready with questions!		**Assessment Methodology** This workshop will discuss the various Methodologies used to assess the requirements of the Standards JPR's. Special emphasis will be given to the use of Project Methodology. A segment of the workshop will be devoted to the development of the Change in Accredited Process Application.
Round Table Discussions - Local/Peer Review – Determining Assessment Methodology - Delegation of Authority - Social media and Certification 1403 Live Fire Training for Evaluators - LXR – Now What? This workshop provides an opportunity for networking and sharing of information. A COA member, or other technical expert, will facilitate a discussion based on a topic and provide any applicable Pro Board policies, criteria, or COA opinions. You will have 25 minutes for each rotation and be given the opportunity to select 3 of the 5 discussion topics, so make sure you sit at the tables you are most interested in and be ready to discuss. This workshop is 100% participant driven!		**Preparing for a Site Visit** Do you have a site visit coming up?
