Gary Duvall passes away

Noblesville School Board member and longtime Miller supporter, Gary Duvall, 70, died January 22 at Riverview Hospital. Duvall had served on the Noblesville School Board since 2012.

Duvall attended Indiana Business College. In addition to serving as a board member, Duvall volunteered many hours tutoring, coaching and serving on the Noblesville Miller Boosters organization. Duvall was a member of Noblesville Kiwanis Club and Noblesville Lion’s Club.

Noblesville Schools issued the following statement following Duvall’s death:

Hamilton County Parks to receive IU Health-Saxony grant

Indiana University Health North and Saxony hospitals, both located in Hamilton County, selected Hamilton County Parks and Recreation to receive their Physical Activity Priority Grant. The grant funds, totaling $6,000, are intended to offset operating expenses or fund programs designed to encourage and increase physical activity among Hamilton County residents.

According to Ivy Davis, with IU Health, “Hamilton County Parks’ mission aligns well with the mission of Indiana University Health, which is to improve the health of our community and patients through innovation and excellence in care, training and research.”

Additional support for Hamilton County Parks, by way of funding and volunteer effort, is needed to make any decisions about the potential route, which leaves our residents in limbo. We owe it to them to move forward.”

Following a year-long period of discussions with local and county officials, the City held a public meeting at City Hall on December 13, 2016 to present a summary of the alternative route analysis. Administration announced its recommendation that the east-west corridor route be approved in accordance with the City’s Thoroughfare Plan. The project was approved in 1995.

The new funding would allow for a preliminary design and field survey of the route, assessments of environmental impacts and initiating the design phase for the alternative route. It would allow the city to proceed with the construction of the project.

The Noblesville Common Council approved preliminary design of Pleasant Street corridor

The Noblesville Common Council took preliminary steps at tonight’s meeting to move forward on the east-west corridor along Pleasant Street. The council unanimously approved the use of $2.75 million from the Rainy Day Fund to create a preliminary design of the project and the use of $1 million for land acquisition as properties enter the market.

“The funding provides our administration with the ability to prepare preliminary design plans for the Pleasant Street corridor in order to evaluate and consider the footprint of the ability to prepare preliminary designs for the Pleasant Street corridor.” Said Mayor John Duvall. “We owe it to move forward.”
