Nickel Plate Heritage Railroad Inc. looks to the future

The Nickel Plate Heritage Railroad Inc. has tentatively been awarded the contract to operate the Hoosier Heritage Port Authority line.

What is the Nickel Plate Heritage Railroad Inc.?
Formerly the Heritage Depot Inc. and before that the Arcadia Arts & Heritage Initiative, this “new” entity will evolve from this community-focused nonprofit. A business name change will be filed with appropriate legal agencies as a newly expanded nonprofit that remains focused on the heritage of the area.

Who will own the Nickel Plate Heritage Railroad, Inc.?
It will be a charitable nonprofit eligible for tax-deductible gifts and managed by a board of directors that will include former members from the Heritage Depot Inc. as well as new members interested in the community development of the area and cultural heritage railroad operation.

What role is Hamilton County Tourism taking in this initiative?
Technical assistant, program advisor, fundraiser, guide, grant writer, marketing and communications advisor – same role the organization had with the Nickel Plate Arts initiative, the 2016 bicentennial, early stages of Grand Park development, the Noblesville Cultural Arts Commission, Westfield downtown project, etc.

Who else is involved?
Rail operations will be managed by Thomas Hoback of the Atlanta Pacific LLC railroad. Tom is semi-retired but has a long and storied career as a quality railroad operator, including ownership of the Indiana Railroad.

Hamilton County, Noblesville complete final phase, open Riverwalk

Friday morning marked the successful completion of a project envisioned by County Commissioner Steve Dillinger more than 15 years ago.

For those not familiar with the Riverwalk, it is a pedestrian walkway along the east bank of White River running six blocks from approximately Clinton Street on the north to Division Street on the south skirting Noblesville’s downtown area.

At the north end the walk connects to the pedestrian bridge over the river and State Road 19 where walkers enter Forest Park. There hikers can access trails north to Potter’s Bridge or west to Morse Dam. At the south end, near Division Street, Riverwalk will connect to the planned Midland Trail, an east-west linear pathway that will eventually allow joggers, bikers and walkers a route as far as Westfield.

Dillinger had the idea after seeing

HSE scores big with climate survey

By LARRY LANNAN
www.LarryInFishers.com

Indiana State University Professor Steve Gruenert has spoken before many school boards and provided information on school corporation climate surveys. When Gruenert spoke to the Hamilton Southeastern School Board on Wednesday evening he had some very good news. “I’ve done a lot of research over the years and I’m in the company of what I believe to be the schools with the best, highest scores that I’ve ever worked with,” Dr. Gruenert said. “My challenge now is, how do you make the best better?”

The professor studied the school culture and climate of the HSE Schools in the final months of the 2016-2017 school year, including the impact of the climate on staff collaboration. Gruenert said the research shows a clear connection between a school’s culture and the level of student achievement – the better the culture, the better students will achieve.

The study was based on a survey of the school staff. A 30 percent return rate on those surveys is normal, which would provide enough data to compile a report. HSE Schools staff returned surveys at a rate of 70 to 80 percent.

The level of collaboration is so high that Dr. Gruenert recommends professional development should be done in-house. “You seem to have a family here,” Dr. Gruenert told board members.

You can read the climate survey report submitted to the board at this link.

No one injured in Carmel U.S. 31 truck fire

Carmel emergency personnel responded to a fully involved semi fire on U.S. 31 near 131st Street just before 4 a.m. Friday morning. According to the Carmel Fire Department, there were no injuries involved in the fire and the semi was the only vehicle involved in the incident.

NICKEL PLATE

Also involved in Wiley Brown. Wiley works with his father to operate the Central Indiana Western Railroad in Lapel.

How far will the train go?

That is being determined, but depending on funding availability likely in the first year it will run from about 206th Street to Atlanta and back, with various stops in Cicero and Arcadia for special programs. The goal is, as soon as possible, to ensure the train goes to Noblesville’s northwest side of the town square.

What will happen next?

The initiative needs three things: 1) funding to support the rail line restoration of at least eight of the 12 miles (minimum $500,000); 2) once that happens, a contract with the HHPA that satisfies both parties (the contract will be signed with the Atlanta Pacific Railroad); 3) the real work begins.

• Rail restoration will begin in order to accomplish this over the winter and into next spring, weather permitting.
• Securing locomotives, passenger cars and a generator.
• The nonprofit’s work will begin in earnest; a staff will be retained and trained.
• Marketing initiatives will begin.
• Ideally, tours and self-guided Memo Day weekend 2018 with Friday-Saturday and sometimes Sunday excursions but that is pending funding and construction.

Why do this?

Hamilton County Tourism and its development partners believe preservation of this cultural heritage asset will serve as a positive economic catalyst for northeastern Hamilton County.

Other information

• The amount of loan needed is approximately $1.2 to $1.5 million.
• The depot will serve as the offices of the operation, along with an arrangement for office space in one of Mr. Muffin’s buildings.
• The goal is to run up to 200 passengers at one time with the first round of equipment.
• There will be family-focused trains, adult-only wine and cheese trains and trains that are for older kids and adults such as ghost trains. Other ideas are in development as well, but they require partnerships and these proposals have not been made.
• There will be opportunities for sponsorships of the various programs, with recognition on and outside the trains, and possible program partnership opportunities (character trains, etc.).
• Trains like Thomas the Tank Engine or Polar Express will not be run, as those require licenses, and they are not available.

Community invited to attend ‘Remembering Ryan’ program

The REPORTER

Thursday, Aug. 31 Hamilton Heights Middle School will host the “Remembering Ryan” program in commemoration of Ryan White’s first day of high school in 1987. The program will be held from 8:45 to 10 a.m. in the middle school west gym in the school, 420 W. North St., Arcadia.

On Aug. 31, 1987, Ryan White entered Hamilton Heights High School with his fellow students. As a person with AIDS, White faced many challenges at a time when much about the disease was unknown. To celebrate White’s life and legacy, community leaders will be reflecting on that historic day. State Rep. Tony Cook, Principal Bret Bailey, Dr. Jerome Adams, IU School of Medicine, HIV Prevention Director John Nichols, Indiana State Health Commissioner Dr. Jerome Adams, assistant Principal Corey Kiger, Hamilton Heights Middle School Assistant Principal Corey Kiger, Hamilton Heights Middle School Principal Brett Bailey, State Rep. Tony Cook (R-Cicero), Hamilton Heights Middle School Principal Brett Bailey, assistant Principal Corey Kiger, Hamilton Heights Middle School Assistant Principal Corey Kiger, Hamilton Heights High School principal at that time, will discuss White’s first day of school at the event.

In addition to the community program, a lunchbox will be held for White’s classmates and faculty who worked at the school he attended. Alumni who were in his class who plan to attend the program and the lunchbox are asked to RSVP by calling the middle school office at (317) 984-3158.

Tourism college courses now available for Westfield students

The REPORTER

Students can learn the real world of hospitality, tourism and management and earn up to 18 college credits through Hamilton County’s Hospitality Immersion Certificate Program. This allows students to gain valuable paid field experience and a chance to work alongside one of the most vibrant tourism markets in the Midwest.

The pilot program, open to Westfield High School students, is a partnership between Westfield State Colleges, Ivy Tech Community College’s Department of Tourism, Conventions & Event Management (TCEM) and Hamilton County Tourism Inc.

The program allows students to choose six courses that will be taught by academicians and industry professionals in areas of sports event management, special event planning, guest services, lodging operations, event marketing, food and beverage services and tourism travel development.

Introductory classes will begin for students their sophomore year and they will join the program their junior or senior year. All courses transfer from Ivy Tech Community College’s Hospitality Administration program to Indiana University’s TCEM program at IUPUI. Credits may transfer to other universities.

As part of the program, students may opt to work in hospitality, tourism or event businesses during the summers. Many industry partners have agreed to be a part of the program by offering internships.

Westfield Schools is the only district participating in the pilot program. Other Hamilton County schools are being approached for the academic offering.

For more information, students can talk to their guidance counselor or go to www.VisitHamiltonCounty.com/hospitalitycertificate.

Carmel, Indy Metro police arrest two cell phone store armed robbery suspects

The REPORTER

At 3:23 p.m. on Saturday, Aug. 19, Carmel Police responded to an armed robbery at the AT&T retail store located at 3043 N. Michigan Road. Two suspects entered the store and held customers and employees at gunpoint. The suspects forced the employees to provide several thousands of dollars in merchandise before exiting the store. A short time later, the Indianapolis Metropolitan Police Department were able to locate the suspect vehicle. After a brief foot pursuit, both subjects, one adult female and one juvenile male, were apprehended.

Juvenile information:

• Name not released
• 12-year-old male
• Charges pending

Adult information:

• Jalen Joiner – 23 year-old Black male of Indianapolis, Indiana
• Theft – Level 6 Felony
• Criminal Confinement – Level 3 Felony
• Pointing a Firearm – Level 5 Felony
• Contributing to the Delinquency of a Minor – Level 6 Felony

Joiner was transported to the Hamilton County Jail for further processing. Bond was set at $500,000. The Juvenile was transported to Hamilton County Juvenile Center for further processing. The Carmel Police would like to express appreciation to the Indianapolis Metropolitan Police Department for their assistance in the case.

For more information, students can talk to their guidance counselor or go to www.VisitHamiltonCounty.com/hospitalitycertificate.

The official opening Friday morning marked the successful completion of a project envisioned by County Commissioner Steve Dillinger more than 15 years ago. Dillinger (left) spoke at Friday’s ribbon cutting ceremony along with fellow Hamilton County Commissioner Mark Heirbrandt.

what other communities have done with their riverfronts. The most attractive in the state is probably the Ohio River-front walkway at Madison. While White River doesn’t compare with the Ohio, you have to work with what you’ve got. A Riverwalk Committee was formed to spearhead the project, investigate funding possibilities and generally plan the campaign.

Not so many years ago Noblesville’s riverfront was far from a scenic attraction. Longtime residents will remember that the backside of a lumber yard, National Guard Armory vehicles, a tire store and a gas station were among the sights you saw along the east bank. The river was not regarded as an asset.

Today, there is still work to be done, but progress can be seen. A city “pocket park” is found near the former lumberyard. The west lawn of the county Government and Judicial Center takes up the block from Logan to Conner Streets, and Riverwalk now goes along the park-like Riverside Cemetery.

The project has been a joint venture by the city and county. It’s worked well, and now more is planned. The county will expand the Judicial Center with a pleasing new west front and a firefighters’ memorial. Riverview Hospital plans a new building on the west side of the river, and of course there is the city’s Federal Hill Commons just across Road 19.

So, now we can expect to see local residents enjoying a walk on the riverfront where a few years ago no one would have dreamed of visiting. That was a very good idea, Steve.

walkway near White River in downtown Noblesville while visiting Madison, Ind., in 2000. A committee of residents was formed the following year, but the recession and prioritizing infrastructure projects took precedence until 2008.

"This is a big day for Hamilton County, for Noblesville, and certainly for the restoration of what is happening to the west side of Noblesville and the river. I couldn’t be more pleased and happy to be part of this ribbon cutting and opening of the Riverwalk, which ties everything together," Dillinger said.

Phase One of Riverwalk was a county project and consisted of creating a trail from the county employee parking lot east, underneath the Conner Street/State Road 32 Bridge and back up to the Hamilton County Judicial Center.

Phase Two of Riverwalk was a city project, extending the trail under the Logan Street Bridge and up to where it now connects with the pedestrian bridge to Forest Park, which also connects to trails at Petry’s Bridge and Field Drive.

Phase Three connected the two completed portions behind the Judicial Center. It also joins with the City of Noblesville’s southern portion extension, which runs from Maple Avenue to Division Street. Construction will begin later this month. Phase Three also will be home to the Hamilton County Fallen Firefighters Memorial.

"This isn’t the end of this particular project. We are also looking at enhancements to go along here at Logan Street that will have a lighting enhancement piece to it that I think will beautify all of Noblesville as well," said Commissioner Mark Heirbrandt. "We are going to continue to work to make Noblesville a better place."

The Greyhounds’ defense ruled at Carmel Stadium Friday night, as the ‘Hounds beat rival Noblesville 31-0 in an all-county Week 2 match-up. Carmel, ranked No. 3 in Class 6A, needed until the second quarter to get on the board, but its first points came from the defense, as Nate Frey took an interception return 50 yards to the end zone early in the period. Less than two minutes later, Dylan Downing caught a 46-yard pass from Jake McDonald, and took it into score.

Carmel finished its scoring just a few seconds into the fourth quarter, with Atticus Clouse taking a 27-yard pass from McDonald into the end zone. The resultant extra-point kick made Coghlan 4-for-4 on the night.

McDonald had a solid passing night, going 9-for-15 and compiling 217 yards. Clouse had four receptions, including the touchdown. Camari Hunt led the Greyhounds’ rushing with 64 yards.

Carmel’s defense held the Millers to 28 rushing yards; Luke Blevins picked up 23 yards to lead Noblesville’s running game. Grant Gremel passed the ball well, making 13 of 25 completions for 109 yards. Anthony Nale had five receptions, while Carson Sanders caught four passes.

Carmel’s Ben Leary (34) makes a tackle as Noblesville’s Christian Collier stretches for an extra yard during the Greyhounds-Millers football game Friday at Carmel Stadium. Also pictured for Carmel is Robert Esrael.

Noblesville’s Ryan Barnes (52) runs the ball during the Millers’ game with Carmel Friday.
Sheridan’s offense was relentless Friday night as the Blackawks took care of old rival Clinton Central 56-6 at Bud Wright Stadium. Pictured: Nick Burnett (25, far left) takes the ball into the end zone, with linemen Ian Pence (75) and Jesse Kolb (50) on guard. At far right, Gunnar Williams (2) makes a block.

Believe it or not, Sheridan football coach Bud Wright said his team “started out slow” in its Friday night against old rival Clinton Central.

Once the Blackawks got going, they couldn’t be stopped. Sheridan piled up 28 points in the first quarter, and cruised to the 56-6 victory over the Bulldogs at Bud Wright Stadium. This was the first win of the season for the Class 1A No. 10 Blackawks, after they dropped their opener against Western Boone last week.

Sheridan is 1-1 for the season, and 1-0 in the Hoosier Heartland Conference. Gunnar Williams scored three touchdowns for the ‘Hawks, two on medium-sized rushes and the third towards the end of the first period on a 44-yard interception return. The Blackawks’ defense stepped up in the final 30 seconds of that period to force two takeaways that resulted in touchdowns. Joe Callahan ran in from 16 yards to get the first score, and Williams picked up the second.

“We played pretty good,” said Wright. Sheridan added two more touchdowns in both the second and third quarters. Cole Cummings caught a long pass from Drake Delph to reach the end zone midway through the second, and Nick Burnett ended the half with a long TD run.

In the third quarter, Cameron Hovey gave the Blackawks a special teams touchdown by taking a punt return 66 yards into the end zone. James Manis finished the Sheridan scoring with a short run midway through the third, making the sixth point extra. Callahan emerged as the leading rusher for Sheridan, with 92 yards in 13 carries. The Blackawks continue HHC play next week when they travel to Tri-Central.

Noblesville, Indiana 46062

Noblesville Swim Club is offering a free swim clinic for any swimmer age 6 and above. All prospective swimmers must know and be able to demonstrate the freestyle and the back stroke. Noblesville coaches will be on deck instructing the swimmers and working on their stroke techniques. These classes are designed to help prospective swimmers learn more about the club and see what their skill level is.

The clinic will run on Tuesday and Wednesday, August 29 and 30 at the Noblesville High School Pool. (Pool is located on the southeast corner of the school, Gate #7). We will start at 6pm both nights. The clinic will last approximately an hour. You may attend one or both nights.

We also invite you to arrive early and observe the current Noblesville Swim Team’s practice. This is a great way for you to see what a practice looks like if you are interested in joining the program!

To register, just e-mail Coach Alek at alexes@noblesvilleswim.com or you may show up either night of the clinic to sign up.

Noblesville, Indiana 46062

Noblesville Swim Club, an affiliate of United States Swimming and Indiana Swimming, will be holding its’ winter swim season tryouts on Thursday, August 31, and Wednesday, September 6 at 6:00 p.m. at the Noblesville High School Pool. (Pool is located on the southeast corner of the school, Gate #7.) You may come either night. The tryouts are open to anyone age six and older who is able to swim 25 yards of freestyle and 25 yards of backstroke. Skills, not speed, will be evaluated.

The winter season runs from September to the end of February, with practices held at Noblesville High School pool.

Please visit our Web site, call our information line, or email us at alexes@noblesvilleswim.com for more information.

www.noblesvilleswim.com

Carmel, Indiana 46032

Carmel is the No. 10 team in the coaches’ poll at 3-4-1. The Hawks have scored 118 points this season, while allowing only 34.

The Hawks started the season with a 28-21 win over Harbour View, followed by a 41-33 loss to L’Etoile. They have since won three of four games.

Carmel’s defense has been strong, allowing only 34 points per game. The team’s offense is led by quarterback Alex Buehner, who has thrown for 1,081 yards and 10 touchdowns.

The Hawks are currently 3-4-1 in the state poll and 3-4-1 in the national poll. They are looking to continue their streak of success in the upcoming games.

Fourth-quarter explosion nets Guerin the Bishop's Cannon

Westfield’s Friday night visit to Lucas Oil Stadium followed an almost parallel script as the game the Shamrocks played there last November.

That’s a good thing, because the story ends with Westfield winning - just like it did last November in the 5A state championship game.

The Rocks came from behind to take the lead, then used its defense to hold on for a 21-14 victory Friday over Lafayette Central Catholic. With that, Westfield improved its record to 2-0 for the season.

The Shamrocks trailed 14-0 at halftime, but came back and led the game tie by tie to the end of the third period. Nate Froelich’s short touchdown run put Westfield on the board, then quarterback Cameron Nance found Pat Beam for an 18-yard scoring play. Both times Alex Bales made the extra-point kick afterwards.

The Nance-Beam connection lit up again early in the fourth period, when the two teamed up for a 27-yard score with 10:37 remaining. Bales converted this extra-point as well. Westfield then made a big fourth-down hold with 3:25 left, and that allowed them to keep the lead and eventually get the win.

Nance passed a fine game, making 11 of 18 completions for 138 yards. Froelich carried the ball 20 times and gained 95 yards, while Nance traveled 62 yards in 15 rushes.

Westfield trots to Zoneville next week, taking on the Class 4A No. 5 Eagles to begin Hoosier Crossroads Conference play.

### Team Stats

**Westfield**

*Reported by Richie Hall*
Hamilton Southeastern got overrun by a much-improved North Central squad on Friday, falling 37-14 at the Panthers' stadium.

North Central led 10-0 after the first quarter. The Class 6A No. 9 Royals got on the board in the second quarter when Cody Huppenthal found Nick Mutchner for a 15-yard touchdown pass.

Southeastern then stayed within striking distance after three periods, when Huppenthal ran the ball in to the end zone from three yards. Tyler Melser made both extra-point kicks to keep the Royals within 24-14 after three. But the Panthers added 13 points in the fourth to seal the victory.

Huppenthal finished the game 8-of-17, compiling 81 yards. Five of those passes were to Mutchner, who totaled 54 yards with his carries. Malik Sims led the HSE rushing with 53 yards.

The Royals are now 1-1 for the season, and return to Reynolds Royals Stadium next Friday to host Avon in their Hoosier Crossroads Conference opener.
