Claire Lane, the Hamilton County Soil and Water Conservation District (HCSWCD) Urban Conservationist, won the 2016 Individual of the Year award from the Indiana Urban Forest Council (IUFC) during the annual IUFC Conference on October 12 held at the Indianapolis Zoo. The IUFC Awards Program is supported in part by the US Forest Service through a partnership with the Indiana Department of Natural Resources Community and Urban Forestry Program.

“We’re so pleased to see Claire receive this recognition for her hard work,” said Ginger Davis, Hamilton County SWCD Administrator. “Her efforts have truly helped Hamilton County expand its urban forest canopy.”

### Westfield Chamber, High School partnership

The Westfield Chamber of Commerce, through their new program, Chamber Innovation, has partnered with Westfield High School to promote innovation, internships, entrepreneurship, and much more. This partnership will help the high school students to become career ready. “With this partnership we now have the opportunity to provide more tools for our students to grow and expand on innovation and a career path they might be interested in pursuing,” said Jack Russell, President of the Westfield Chamber of Commerce.

The partnership will give both businesses and the high school the ability to continue the vision of a positive business and school community. Matthew Putman, Career & Technical Education Content Area Director stated that, “This new partnership provides added capability for students to work more closely with local businesses and gain experience in possible future careers.” The partnership will work more closely with local businesses and gain experience in possible future careers. ### Banners feature historic buildings

A new feature can be seen on select downtown Noblesville street banners thanks to a partnership between Noblesville Main Street and Noblesville Preservation Alliance. Just in time for the Bicentennial Celebration, the two nonprofit groups have commissioned 20 banners featuring images of historic commercial buildings.

“Noblesville Preservation Alliance is excited to financially support the development and installation of the new banners for the light poles in downtown Noblesville,” said Nancy Hebel, president of NPA. “As an organization, it is our mission to preserve and promote Noblesville’s historic architecture and this project certainly meets that criteria. We applaud the idea and look forward to seeing the banners soon.”

Carmel Police looking for missing woman

The Carmel Police Department is looking for a missing adult woman.

At 6 p.m. Tuesday, the department took a missing person report on Dana Ellen Collins, 37, a white female. Collins is 5’6” tall and weighs approximately 125 pounds with red hair and green eyes. Collins was last seen on the morning of Tuesday in her residence on Lark Drive in Carmel. Collins may have left her residence on foot or left with a male companion with a first name of Chris.

Police are asking that if anyone has information on Dana E. Collins or her new male friend Chris to contact the Carmel Police Department Investigations Division at 317-571-2511 or Crime Stoppers of Central Indiana 317-262-8477 (TIPS).

Primrose students join Bicentennial celebration

Little ones are embracing the big bicentennial excitement happening this week. The Primrose School of Noblesville, located at 15700 North Point Blvd. in Noblesville, will share this monumental experience with its pint sized Hoosier students this Thursday and Friday.

“Connecting exciting and current events happening in our community is important to our curriculum,” said Jackie Bell, Primrose School of Noblesville Owner & Operator. “Our precious little students are our community and national leaders of the future—creating an appreciation for big moments like this are important to us.”

Teachers and students will participate in Bicentennial-themed activities this today and Friday. The school will showcase fun facts about Indiana throughout the school, inside student rooms and the hallways. On Thursday, each child at Primrose School of Noblesville will participate in a mini torch relay during their morning recess times (between 9:45 and 11:30 a.m.).

Noblesville Parks Department seeks public feedback

As they went out, behold, they brought to him a dumb man possessed with a devil.

50 Years Ago

News:
Hamilton County property taxes were slashed approximately $180,000.00 yesterday and additional reductions are expected before the Indiana State Board of Tax Commissioners completes its certification.

Sports:
Jack Butler and Billy Shepherd are clipping off the seconds at a record pace, which means one whale of a battle is shaping up between Carmel and Noblesville next Tuesday afternoon when six area schools meet at Noblesville Forest Park for the annual Hamilton County cross country meet.

An event like this only happens every 200 years - so don’t miss Carmel’s Celebration today at Center Green as Mayor Jim Brainard helps welcome the Bicentennial Torch as it comes up the Monon Trail and stops in Carmel for a brief celebration.

This special Bicentennial Torch Relay will be a two-hour event with community booths, activities for all ages, live music, food and refreshments as we observe and celebrate the “passing of the torch” from one bearer to the next.

Listen to the music of the Indian Wind Symphony and the young musicians from the Carmel School of Rock; see the official seal in the Carmel Clay Historical Society Booth; take selfies as a special historic cardboard cut-out; enjoy refreshments from Matt the Miller and check out other community booths and activities.

“This kind of event only comes around every 200 years,” said Mayor Jim Brainard. “We feel it is quite historic and we are honored to be one of the Celebration Stations in Hamilton County.”

Carmel’s Celebration Station begins at 3:30 p.m. The torch will be making its way up the Monon Trail with an anticipated arrival shortly after 4 p.m. at which time a brief ceremony will take place. The torch will then make its way north toward Westfield, while Carmel’s event will continue and conclude at 5:30 p.m.

The event is free and open to all ages.

Reminder from Noblesville Street Department...

Mobile basketball goals not allowed in right of way

As leaves begin to turn and fall from trees, the Noblesville Street Department wants to remind residents that mobile basketball goals are not permitted on sidewalks, driveway approaches, greenspace or the street at this time.

The large street department vehicles have issues navigating around these structures and contact with them (i.e. a net hitting the antenna or side-view mirror) can cause damage to the vehicles and recreational equipment.

According to City of Noblesville Ordinance #36-08-12 on permanent encroachments: “Basketball goals and other recreational equipment must be removed from and may not overhang the right-of-way in any manner from Oct. 1 through April 30 in order to avoid damage to city vehicles that must work in the right-of-way, for among other things, the removal of snow, leaves branches and debris.”

The city allows mobile basketball goals and other mobile recreational equipment to be permitted without an encroachment from May 1 through Sept. 30 each calendar year. Basketball goals also are permitted year-round if properly placed one foot behind the sidewalk or city right-of-way.

Street Department officials will first issue warnings for prohibited equipment. If a violation is not addressed, a ticket and appearance in Noblesville City Court may occur. Issuing fines or confiscating goals is not the desire of the city unless a nuisance occurs.

For more information or questions, contact the street department at (317) 776-6348 or nsd@noblesville.in.us.

IMCU celebrates opening of Old Meridian Street location

Indiana Members Credit Union (IMCU), Central Indiana’s largest credit union, is celebrating the grand opening of its newest branch in Carmel. The Old Meridian Branch, located at 12725 Old Meridian St., is IMCU’s 23rd location in Central Indiana.

Events for the Grand Opening Celebration include:

• A ribbon cutting ceremony for the media and business community at 9 a.m. Thursday, Oct. 20
• Grand opening celebration for the public on Friday and Saturday, Oct. 21 and 22, including: refreshments, door prizes, giveaways and a Grand Prize of $500
• Special appearance by Indiana Pacers Mascot Boomer and the Indiana Pacers Fan Van from 4 to 5 p.m. Friday, Oct. 21

In the three tournament games the Guerin Catholic girls soccer team has played so far, the Golden Eagles have played - and beaten - a ranked team.

Guerin took on No. 2-ranked Avon in Wednesday’s first semi-final at the Class 2A regional at Carmel, and came away with a 1-0 victory. The win moved the Golden Eagles into Saturday’s championship, where they will play at noon against No. 4 Brebeuf Jesuit, the defending 2A state champion. The Braves defeated North Central 4-0 in Wednesday’s second semi-final.

The Golden Eagles got their goal with 12:03 remaining in the first half. Elle Vuotto kicked a sharp shot into the net, with Kelsie Smith making the assist.

“All year, Elle’s really been flirting with being a big moment player for us,” said GC coach Jonathan McClure. “She’s so poised on the ball. She’s one of our more creative and confident players on the ball, with or without pressure, with or without space. She’s seen enough repetitions up to this part of the season, and she has enough confidence to go ahead and take her look, and she did on that one and was good for the game winner again.

Guerin Catholic’s defense played well, especially in the second half when the Orioles were aggressively trying to tie the game. The Golden Eagles were playing with a brand-new goalkeeper, freshman Sarah Stagge, who came in after starter Chandler Edwards suffered a season-ending injury.

Stagge played tremendously in such an important game, including two big saves - one with 27 minutes left, and the other with 13 minutes left. Avon also had one shot that nearly went in late in the game, but it hit the crossbar and went out of danger.

“She was fantastic, absolutely did a brilliant job in goal for us,” said GC coach McClure. “Made the saves we needed her to make and everybody in front of her did their job.”

MILLERS MOVE ON
Up at the Class 2A Logansport regional, No. 17-ranked Noblesville breezed into the championship match by defeating McCutcheon 3-0.

The Millers scored all three of their goals in the first half. Maddie Rauch scored the first one in the seventh minute of the game, with Taylor Crowe scoring three minutes later. Crowe stepped up again, nailing a penalty kick attempt with 6:50 left in the first half. Mackenzie Kincaid made a big save with two minutes remaining to preserve the shutout. The Millers have used their always-strong defense to take care of business in the second half.

Noblesville will play Marion in the Saturday championship, which starts at 2 p.m. The Giants beat Yorktown 2-0 to advance to the final.

When Noblesville welcomes Avon to Hare Chevrolet Field on Friday, it will be playing a team in a similar position.

Both the Millers and the Orioles are 4-4, so whoever wins will clinch a winning regular season. Both teams are 3-2 in the HCC, so whoever wins will finish league play tied for second.

And both teams are capable of the big upset. Avon is the only HCC team to beat Hamilton Southeastern (31-28 in Week 3), which is No. 5 in the Class 6A coaches poll this week. The Orioles also have wins over Plainfield, Fishers and Zionsville.

Noblesville, of course, is coming off a huge upset last week. The Millers came from 21-0 down in the fourth quarter to stun previously undefeated and 6A No. 6-ranked Brownsburg 22-21.

“Avon is a football team that is starting to play their best football of the season,” said Noblesville coach Jason Simmons. “They are very well coached on both sides of the ball. Their offensive line is fundamentally sound and they finish plays well. They are physical in the run game and protect the passer well.”

The Orioles’ passer is junior Cameron Misner. The quarterback has thrown for 1244 yards and 16 touchdowns this season. Junior Luke Shayotovich is Avon’s top receiver with 33 catches and 10 touchdowns.

“Tiramisu is accurate and puts the ball into tight windows,” said Simmons. “They have one of the best players in the state of Indiana, Bryant Fitzgerald, that is a difference maker in all three phases of the game. Between Fitzgerald and (Champion) James, their running game will be a challenge to slow down.”

Fitzgerald, a senior, has been a force this season. He has carried the ball 76 times for 552 yards and five touchdowns. James, a sophomore, has 443 yards in 103 carries, and has scored seven touchdowns.

Simmons is impressed with the Orioles’ defense as well.

“Defensively, their defensive line is led by two seniors, Garrett Larson and CJ Hunt. These two get off the ball well and are extremely disruptive. Fitzgerald and (Ian) Pendleton are playmakers on the back end.”

Junior quarterback Ryan Barnes, who sat out last week as a precautionary measure, is leading the Millers in rushing (757 yards in 128 carries, six touchdowns) and in passing (849 yards and eight touchdowns). Jackson Thurman has 30 receptions for Noblesville; both he and Nolan Ginther have caught four touchdown passes.

Gremel was 20-for-33 last week against the Bulldogs, throwing for 245 yards and two touchdowns.

“This is a great challenge for our football team and program this week,” said Simmons. “They are extremely well coached and they play hard. We need to embrace the work it takes to stack good days on top of each other and work to get better this week.”

Noblesville’s Zac Tuinei is one of the probable defensive starters for the Millers in their game with Avon this week at Hare Chevrolet Field.

Ever since it joined the Hoosier Heartland Conference back in 2011, the Sheridan football team has finished no worse than second in the league. The Blackhawks won the conference title in 2011 and 2012, then were runners-up in 2013-14-15. Sheridan is guaranteed at least a second-place finish this season, but the Blackhawks want to win. They’ll get that chance when they travel to Carroll Friday to play in the winner-take-all, conference championship game.

The Comets won the West Division of the HHC, while Sheridan won the league’s East Division. The two teams did meet in an earlier game (which did not count in the conference standings), with Carroll winning 13-0.

“We played them pretty good,” said Sheridan coach Bud Wright. “They played with confidence. They play with a high rate of speed. They throw the ball a lot. They got a good quarterback, and he’s throwing for a lot of yards.”

The Comets quarterback is junior Trey Filburn, who has thrown for 1551 yards and 15 touchdowns. Junior Devon Anderson has 29 catches, including six TDs, while senior Brandt McClain has 13 receptions, five of them for touchdowns.

“We played them pretty good,” said Wright. “They’re playing with confidence. They play with a high rate of speed. They throw the ball a lot. They got a good quarterback, and he’s throwing for a lot of yards.”

“Our challenge is we got to stop the pass,” said Wright. The coach also noted that if Filburn's receivers are covered, he will run - Filburn has scored 11 rushing touchdowns this season.

“He’s an excellent runner,” said Wright.

In terms of yardage, Carroll’s leading rusher is senior Dylan Spreck, who has compiled 402 yards and 15 touchdowns this year. Sheridan’s leading rusher is Joe Callahan, a junior who has logged 1476 yards and 15 touchdowns this season. Sophomore quarterback Drake Delph has passed for 441 yards and eight touchdowns. Gunnar Williams leads the receptions count with 15.

Grayhounds are hoping to finish the regular season on a high note when they host Lawrence Central Friday night. Carmel is 4-4, so a victory would give it a winning regular season.

"The 'Hounds are coming off a tough loss to Warren Central. The Warriors are ranked No. 1 in Class 6A, but Carmel had a lead on Warren before it came back in the fourth quarter," coach John Hebert said. "At the start of the fourth quarter we had a 25-19 lead over Warren Central," Carmel coach John Hebert. "We began allowing turnovers and had an onside kick which led to another score. On the next offensive series, we threw an interception and were unable to stop them from scoring again. In that span of events we need to improve our ability to fight from scoring again."

"In that span of events we need to improve our ability to fight from scoring again. In that span of events we need to improve our ability to fight from scoring again. In that span of events we need to improve our ability to fight from scoring again. In that span of events we need to improve our ability to fight from scoring again."

"We will honor the line of scrimmage and play very solid defense. We will need to be able to control explosiveness on offense and aggressive on defense. We are 4-4, 3-3 in the MIC, so this Friday's game with Lawrence Central is an opportunity to put a positive stamp on the regular season," said Hebert. "We will honor the class of 2017 during our Senior Night festivities. Lawrence Central is very talented and well coached. They are very explosive on offense and aggressive on defense. We will need to be able to control the line of scrimmage and play solid special teams to be in a position to win on Friday."
