## BROKER'S COMMENTS

---

SELKIE is an exceptional late model Sabreline 47 with over \$200,000 in custom upgrades completed when built. These, her third owners, clearly have continued that pride of ownership and legacy of excellence. SELKIE is a "showpiece" and is one of the last 47s built. Her light gray Imron painted hull is striking and the exterior brightwork perfectly sets off her classic lines.
