

Along with the cooler weather we also have to deal with some nuisances such as trees losing their leaves and fallen acorns. Fall is a great time to tackle some much needed outside projects. Cleaning gutters, raking leaves, trimming trees, and cleaning driveways and sidewalks are all necessary property improvement tasks. Mailboxes should be kept clean with visible numbers. Irrigation is limited to 2 days per week, please contact the Management Office at (386) 738-2112 if you are not aware of your scheduled times. Take advantage of the cooler weather to spruce up the outside of your home. Please be sure to properly bundle and store any debris so it will not clog the city drains and Waste Management will be able to collect on Tuesdays.

Many homeowners are putting up Christmas decorations, please be mindful of the spillover of light or sound into neighboring properties. For HOA maintained homes, use caution when decorating as lawn crew may not always see wires or extensions cords.

The rear alley ways in Victoria Commons are one way only; they should not be used as a cut through. Obey all directional and stop signs throughout the community. Please obey the 25 MPH speed limit at all times while in the community.
