

48th Annual Benefit Walk to Celebrate One Vision CommUNITY

Employee. Volunteer. Family. Friend. Donor. Supporter. No matter how you describe yourself, each and every one of us is an important part of the One Vision community. We are all united in our mission to support individuals, their abilities and choices, and to connect them with purpose.

At our 48th annual Benefit Walk, we want to celebrate everyone who is part of our community and the common vision that brings us together.

Join us at our signature fundraiser on Sept. 16 and 17 to support One Vision (formerly Opportunity Village). Events like the Benefit Walk provide a way to not only bring our community together in fellowship, but also helps raise awareness and generate crucial financial resources to support the services we provide for more than 550 individuals and help us reach our goal to become less reliant on Medicaid funding.

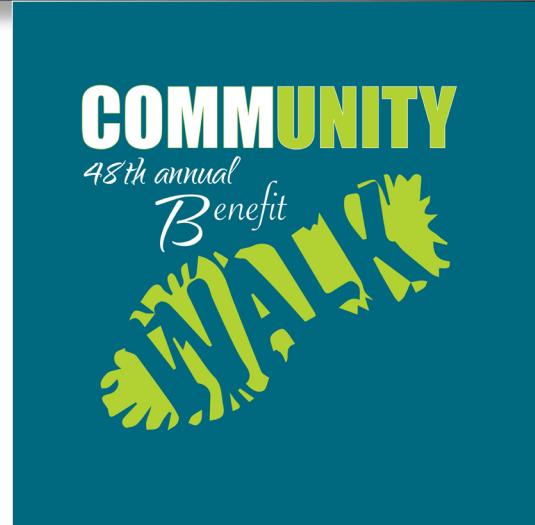

Gather a team of family, friends, or co-workers to walk around City Park in Clear Lake and City Square Park in Fort Dodge. The walk will begin promptly at 1 p.m. Registration will begin prior to the walk and will be held in City Park. More information on the walk, how to start fundraising, and more is available online at www.ovbenefitwalk.org.

BEFORE THE WALK: Join us for our second annual Appreciation Picnic

Join us before the walk for our second annual Appreciation Picnic, a way to say thank-you to our hardworking staff and valued families, friends, and community members. The complimentary picnic begins at 11 a.m. in City Park in Clear Lake and City Square Park in Fort Dodge. Bring your lawn chairs and enjoy a delicious catered lunch with friends!

AFTER THE WALK

Stick around following the walk! At both locations, we will have a variety of games for adults and families, as well as live music.
