

# Honoring the Port Manatee Maritime Community

Since 2005, the Port Manatee Propeller Club has established itself with a solid membership exceeding 100 professionals, serving Port Manatee and Tampa Bay's maritime community. Through a series of monthly professional development seminars and events, members have gained valuable knowledge from a host of experienced speakers.

Proceeds from the tournament will be used in part to fund the Port Manatee Propeller Club Scholarship Program. This year the club awards two \$2,000 scholarships to eligible students from Manatee County and one \$2000 scholarship to eligible students affiliated with the Propeller Club from other counties. Selection for the award is based upon academic standing, personal recommendations and the completion of an essay outlining how their chosen field of study is applicable to the maritime industry.

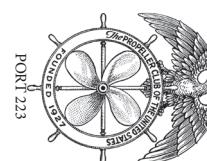

The Propeller Club's aim is to promote the maritime industry through many of its programs and by partnering with similar organizations. Its goal is to educate legislators and the public as to the importance and necessity of all waterborne commerce.

## A Challenging Course For Golf And The Nation's Maritime Future

By enjoying a round of golf at the Ted McAnlis – designed River Wilderness Golf and Country Club, you support the future of our nation's maritime industry. Join friends and colleagues at this fair but demanding golf venue for a unique golfing experience.

All proceeds for this event benefit the Port Manatee Propeller Club, a 501(c) 6 organization.

Your entry includes a round of golf at one of Tampa Bay's most challenging courses, excellent food, fun prizes and a variety of games including men's and women's longest drive, closest to the pin, hole-in-one and putting contests. Prizes awarded for first, second and third team and closest to the pin.
