

**Summer is flying by so we wanted to share a few reminders that will hopefully assist you in planning ahead for the upcoming school year.**

1. Summer reading is assigned for rising K5-5th grade. The books and assignments can be found on our website under the Programs Tab. Select Lower School and then click on the grade level your child will be entering in August.
2. Cheer Uniforms for girls K2-5th grade will be available at Zoghby's this year. (Bit and Spur store only) You will be able to order and select sizes directly through them. This eliminates the need for a summer fitting on campus and the turn-around time is about 3 weeks. We do recommend ordering early to avoid the back to school rush! A special thanks to Zoghby's for helping us provide this convenience to our families.

The prices are as follows: Cheer Top with St. Luke Logo \$38.50 and Cheer Skirt \$21.50, optional Cheer Short \$15.50. The total for all three pieces is \$75.50

3. We love showing our school spirit EVERY Friday! As you plan uniform purchases, you may want to keep in mind that students will be allowed to wear jeans or shorts with a St. Luke's t-shirt or jersey every Friday all year long. Girls will be allowed to wear their cheer uniform each Friday.

4. BYOD information for our rising 5th graders is also on the website. Each 5th grade student will be required to have a laptop (suggested chromebooks \$200-\$300) beginning January 4, 2019. Personal devices will not be used or allowed until January. Please note acceptable devices found in the BYOD policy.

5. Please check the school calendar. Back to school events begin August 2nd and most major events are already posted on the school calendar for the year.

We are busy planning for the upcoming year and we look forward to seeing you all very soon!

Dr. Keesee
