

Thank you for submitting this request for financial assistance and prayerful partnership via the Presbytery of New Harmony.

We hope that all grants, assistance, and scholarships provided by New Harmony bear witness to our connected and connectional nature. These funds, which we have the privilege and responsibility of considering, managing, and disbursing, come from the faithful gifts of our member congregations. We are grateful for this partnership in ministry. We are honored to extend this partnership in the form of grants and assistance. We also offer our prayerful support to you.

The Program Ministry to which you have applied will meet and consider your request as soon as possible. The Moderator of the Ministry will be your contact person should you or the Ministry have any questions.

Deadline

Typically, the Ministry will consider requests and will strive to respond to your request within 60 days. Ordinarily, all requests for funding to be considered for that calendar year should be submitted prior to October 31 if possible.

All requests will be prayerfully considered. Requests of \$5,000 or above require two readings by the committee.

We believe that shared financial responsibility is wise. Therefore, for individual requests, we encourage a plan of 1/3 of the cost supported by the individual, and 1/3 by the individual's congregation/or the congregational budget if a group endeavor, and potentially 1/3 from scholarship / grant.

OUR EXPECTATIONS:

- Those receiving support/assistance/scholarships from NHP are expected to be actively involved in the event/project for which support has been requested.
- We expect a PC(USA) connection.
- We expect interpretation & sharing following participation in this experience.
 - Options might include: making a report to the presbytery, writing an article for THIS WEEK, staffing a table & sharing a display
- We expect that any funds not directly used for the project or trip will be returned.

OTHER HELPFUL INFORMATION

- We extend priority to those who have not previously received assistance/support /scholarships
- Ordinarily, subsequent requests by a congregation will be considered at 50 % of the full amount requested.
